in AICTE-CII (Confederation of Indian Industry) Survey
for the year 2014-15 at 5th University- Industry Conference
in New Delhi on 2nd December 2015

AICTE – CII SURVEY REPORT (Year 2014-15)

The objective of the survey was to assess the current status of department and institute across all AICTE zones in India. The survey was carried out with respect to six basic parameters in mind such as faculty, infrastructure, placements, governance, curriculum, research and project & skill development. Based on the survey top ranking institutes were given rating platinum, gold and silver. Sardar Patel College of Engineering participated in CII survey for all three branches in the year 2014-15.

A total of 177 established institutes across all AICTE zones in Civil Engineering were participated. A total of 15 (8%) institutes received **platinum Grade** in the year, of which Civil Engineering Department of Sardar Patel College of Engineering was one of the institutes with obtained **Platinum Grade**.
